Notes on the schedule

- Students **pay their own entry fees** (and for a guide on the night trip to Masaya volcano, for the Granada boat trip and if you want a guide on Mombacho) **and for food/drink consumed outside** the Mariposa (e.g. you buy your own evening meal in Masaya).
- The Mariposa now has an **evening programme**. On Mondays, after dinner, there is a charla or discussion on environmental/development issues (homestays are welcome to stay to dinner). 2 Tuesdays per month there is an outside activity – a visit to the Masaya volcano by night and a meal in a typical Nicaraguan restaurant in Masatepe. One Thursday a month there is an evening out in Masaya to see the Verbena, which is a folklore dance show – we cannot guarantee its quality! We also schedule a monthly Thursday visit to the famous Godoy restaurant in Managua where you can hear their live music. Tuesdays and Thursdays in the Mariposa we offer game nights or a film. Wednesdays we take a group to who want to eat an early evening pizza at Los Quinchos, an organization which works with street children and we support with our custom. On Fridays we go to the bar before dinner - you can choose to return to the Mariposa for dinner or eat at the bar and be picked up at 10.00pm. Saturdays, after a full day out, we offer a relaxing movie!
- On Sunday mornings you can opt for a horse ride or a hike – both offer great views of lakes and volcanoes. The hike costs approx a dollar an hour as we use an independent guide. At 1.00pm on a **Sunday afternoon** you are welcome to have a tour of the garden and learn about how we try and work – please let Paulette know if you would like this.
- We can organize you a massage or a manicure/pedicure in your room any time you choose.
- We sometimes use public transport, sometimes the Mariposa vehicles.
- If you are here for less than a month and wish to do an afternoon, evening or day trip which is not scheduled during your time at the Mariposa, we can organize this at extra cost. A half day/evening trip is \$10 per person, for day trips \$15. Minimum 3 students.
- We have an information leaflet on our information board giving more details about each of the activities and trips. There are also guide books in the library. But for further information – just ask.
- We do our best to deliver the program but for all sorts of reasons e.g. the weather, we cannot offer guarantees!! We also incorporate special activities eg Xmas, local fiestas etc.
